Choose your way to reboot

Focusing on the game - next to some of the best golf courses in the world.
Scenic hikes - several picturesque routes of varying difficulty begin in the city and wind through the Sierra de Mijas mountain range.
Exploration of the underwater world - diving along the Costa del Sol coastline is one of the favorite activities here.
Solitude with the sea - professional yacht clubs help experience the romance of the open sea.

APARTAMENTOS

Privacy and Care 24/7

Relax in absolute tranquility and peace, as the territory of Rayos Del Sol apartments is secluded from outsiders and is under constant video surveillance. It's about both safety and your comfort. No one can disturb you, here. Just delegate all minor concerns to the concierge, and allow yourself to enjoy the Spanish sun.

Children's and adult pool ✨

Take a plunge into the pool, designed for both adults and children. And the most delightful part is that it's just a few steps from 'leaving the apartment' to 'feeling the coolness of the water.'

Mijas, Spain

Gym with a panoramic view

Exercise with a direct view of the sea right from the gym, it's also a way to relax. Not for the body, of course, but definitely for the mind. Give free rein to new ideas.

Golf course

Engage in a game of petanque to spend time as a true appreciator of the slow living lifestyle or test your accuracy during a game of golf. All of this is located on the complex's territory, making such leisure activities available at any time.
